# DAUGHTERS OF MIRIAM CENTER

## **Dear Family Members and Friends:**

As of Friday, March 13, 2020 Daughters of Miriam Center has prohibited all visitors from entering the building in accordance with directives from the Centers for Medicare & Medicaid for all long-term care facilities until further notice. We know this is a difficult time for all and we appreciate your cooperation as we safeguard the health of our vulnerable population.

As the situation evolves, we will keep you updated via email and will post updates on this website. If you have any questions, concerns, or would like to make arrangements to video conference with your loved one, please email Myrna Gomez, Director of Social Services, at [myrnag@live.com](mailto:myrnag@live.com).
